On your feet!

Walk High Country...
for life in the slow lane

Victoria's High Country has launched a new site - [Walk High Country](#) - showcasing more than 100 must-do walks around this spectacular region.

From short village strolls to multi-day mountain hikes for the more adventurous, Walk High Country is a must-visit one-stop shop for visitors looking to explore the unique beauty of Victoria's North East the slow way.

Guide yourself or choose from a suite of **new guided walk experiences** around the region, including:

- At Mt Buller, Ness Hinneberg, the Hike Priestess of [Skadi Adventures](#) offers fully supported walking adventures for women, from half day to overnight hikes.
- Bright Adventure Company's new three hour guided adventure at Mount Buffalo, the [Cathedral Explorer](#)
- Take a [High Country Hiking Tour](#), guided, multi-day walk in and around Mt Stirling including Craig's Hut, Eagle Peaks and Crosscut Saw
- At Falls Creek, the new [Trails, Tales and Tucker](#) walk takes in historic High Plains huts and superb scenery on an easy guided walk and picnic, suitable for any age.
- A unique, fully guided and supported premium pack-horse walking holiday through the Victorian Alps with [Parktrek and Bogong Horseback Adventures](#)

These brand new guided adventures are exciting additions to well established Walk High Country experiences, including the sensational [Hedonistic Hiking](#) all inclusive luxury walking holidays including the King Valley and Mount Buffalo and Bright-based [Alpine Walking Guides'](#) three and five day walks from Mt Hotham to Falls Creek.
